Hallelujah Chorus (Handel's Messiah)
 BASS part for SATB

README for Hallelujah SATB:

The sheet music was prepared from resources that, to my knowledge, were uncopyrighted.

To view and print the sheet music, you need a PDF reader such as Acrobat Reader (TM) from Adobe Systems. There are versions for Windows or for Macintosh. It may be downloaded for free at <http://www.adobe.com/products/acrobat/readstep.htm>

The individual MIDI music tracks should be playable by whatever media program came with your computer, if you have a sound card.

The files with extension NWC are in the Noteworthy Composer format. This is a shareware music program that I used to enter the score. For Windows machines (not Macintosh, unless there's an update) you can download the free reader at <http://www.noteworthysoftware.com>

While you are at the Noteworthy Software site, you might want to take a look at the shareware program.

The Messiah Project is at <http://www.guysfield.demon.co.uk/Messiah/>

The Noteworthy Scriptorium is at <http://www.vadu.com/nwc/>

My own site is at <http://www.icogitate.com/~ra849/index.htm> but there probably will not be additional sheet music there.
